"I lost my mom suddenly while I was in the U.S. and she was in Colombia. I didn't know where to begin I felt alone, confused, and heartbroken. But one call to Assure for Life changed everything. In less than an hour, they had everything coordinated. They took care of the transfer, the service, the support... they even provided a round trip ticket so I could be with her. **I didn't have to worry about a thing just being there to say goodbye.**
